

CROWN EQUITY HOLDINGS INC.

CONTENT DELIVERY SOLUTION

ONLINE COMMUNICATION

Crown Equity Holdings Inc. (CRWE) has an effective online communication solution to enable a public or private company to reach the financial community and others who might be interested in its stock, financial stability, product, and services.

DELIVERY

We are thrilled to introduce our content delivery solution through our CRWE WORLD, CRWE Press Release and CRWE Tube companies that give corporations and businesses a vehicle to expand their exposure.

CRWE PRESSRELEASE

CRWE WORLD

CRWE WORLD (<http://www.crweworld.com>), a news and information network, provides businesses a tool to target potential consumers worldwide or within a specific geographic location available in its platform of 184 countries, 56 dependent territories and their respective cities or communities. If you provide us with your fact sheet and profile information, we can include it on a special page on CRWE WORLD to engage others about your company the moment they look at it.

READERSHIP AUDIENCE

CRWE Press Release (<http://crwepressrelease.com>) provides companies a way to reach CRWE WORLD online readership audience. We also have the resources to submit your press release to **Google** and **Yahoo Finance**, **CNN**, **Scottrade**, **E-Trade**, **AP-Associated Press**, **Bloomberg**, **Marketwatch**, **WSJ**, **Barron's Daily Finance**, **MSN Money**, **Business Week**, **USA Today**, **Comtex** and many others for a larger readership reach.

CRWE Tube (<http://crwetube.com>) allows you to upload your company's videos, containing the messages/information that you want to be delivered, to the CRWE WORLD audience.

BUILD YOUR BRAND!

Through combining the above content delivery solutions with social media and other distribution outlets, you can deliver your compelling content to a broader audience of readers for more exposure, and to build up your brand.
